## Soap Suds

The safest way to get in a bit of a lather!  
Never fear even though **Bad Girls** has  
left our screens for a few months, there  
is plenty of other action to be had.

Lesbian counsels vicar over his love life! Yes, the  
respectable dyke personified, Zoe Tate, is still going  
strong in **Emmerdale**, she still even has the lovely  
Frankie in tow, which must be getting on for a record  
in the soap stability stakes!

Lesbo, ex-nun, Anna is one of the favourites to walk  
off with the £70,000 prize in **Big Brother**. However,  
the likelihood of any steamy scenes probably left with  
our Caroline. We'll just have to hope the very gor-  
geous Melanie does a dramatic swing in the opposite  
sexual direction!

Keeping their ends up in **Brookside** are the most  
unlikely soap couple ever, designer Shelley and  
Lindsay Corkhill. Finally, they've got it together and  
are at it like rabbits, although since being discovered  
in bed by Bev and out on the scene by Shelley's ex,  
Paula, Shelley seems to have a bit of a strop on.  
Odds on them staying the distance are significantly  
longer than Anna's.

For those at home in the afternoons, **Grange Hill** may  
soon be an unlikely source of spotting, as they are  
rumoured to be developing a lesbian story line.

I'm afraid the 9am start to this weeks **Hollyoaks**  
Omnibus put paid to me watching it, but last time I  
caught it, it seems the afghan coated lovers Gina and  
Emily had bitten the dust. So a storyline that looked to  
be going nowhere seems to have arrived.

Still waiting for Alma and Audrey...
