Sneinton Voice receives no financial help from the Council. It is professionally printed by Ramoth Prints but is entirely paid for by advertising from local businesses.

The Voice is produced quarterly by local volunteers at 26 Lyndhurst Rd, the TRACS Neighbourhood Centre but always needs more people to help at all stages of production.

## Letters

Dear Editor

In the current edition (No 26) of "Sneinton Voice," your article about the Sneinton Railway Land was inaccurate and misleading in the following ways.

1) The proposal rejected by the City Planning Committee was not to demolish "a train shed near the Low Level Station on London Road." It was to demolish the train shed of the station itself.

2) The Sneinton Environmental Society proposal according to you, was to convert the station into a museum. In fact that proposal forms only part of a comprehensive plan for the whole area drawn up by the Society and enjoying the support of every major amenity and conservation society in the City. Far from rejecting the Sneinton Environmental Society's proposals as unrealistic, the City planning Committee resolved to hold discussions on them.

3) Your right to hold the view that only TRACS seems to care about the future of the Railway Land from the standpoint of the needs of Sneinton people cannot be disputed. But you are wrong.

Brian Jackson

At the City Planning Committee meeting of 16th Jan 1986, the City Planning Officers report, whilst supporting the idea of a museum, said that it was an unrealistic prospect at the moment and, in the same report, the Arts Directors view was that "the establishment of a major new museum does not appear to be a realistic possibility for the foreseeable future".

The Voice did not claim that only TRACS cared about the British Rail land. The point of the article was that the people of Sneinton should be properly informed

and consulted, and their views taken into account - this is what TRACS has begun to do. Ed. Committee.

Dear Editor,

Your readers may be interested in some details about Sharon Atkin, who was chosen in March to be the Labour candidate for Nottingham East (Sneinton is in the Nottm East constituency).

Sharon is 34 years old, married with a son aged 16. She used to be a nurse and has had considerable experience within the NHS. More recently she has worked as a Community Relations Officer for the Borough of Ealing in London, and also as Assistant Director of the Alcoholics Recovery Programme, a London charity.

In 1984 Sharon won a by-election and was elected to the London Borough of Lambeth and became Chair of Amenity Services (Arts, Sports, Leisure, Childrens Play & Libraries) which had a budget of £16 million. Sharon also was on the Police Committee and many social services committees.

In 1985 the Lambeth Council challenged the Government in the courts, because the Council was being forced to cut jobs and services in an inner-city area. The Council won the argument but lost the case and Sharon was left with a personal charge of £4000 as her part of the £186,000 fine against the council.

Nevertheless, Sharon is committed to fight for the rights of ordinary working people and will be a great MP for Nottingham East.

Paul Bryant

In the last edition, we omitted an address for the Pregnancy Testing Service at the Womens Centre - so here it is 32A Shakespeare Street, Nottm. Phone 411475

## LOOK NO LOLLIES

"School Crossing Patrols, the often unsung but vital members of the Road Safety Team, are taken for granted" says Mr, Harold Finch, Senior Road Safety Officer for Nottingham, whose area includes Sneinton. "The Lollipop Ladies and Gentlemen are out in all weathers looking after children on their way to and from school. It is not until they are away or leave that they are missed and then starts the hue and cry!"

"My office is inundated with often irate parents asking - Why can't you provide a Patrol?"

"I have a small team of ladies who spend a lot of their time recruiting and training Patrols but we have no pool of people anxious to fill the vacancies."

In Sneinton there are at present two vacancies at Colwick Road/Lyndhurst Road and at Sneinton Boulevard/Lyndhurst Road. Relief Patrols are also needed in Sneinton. They are trained to cover three sites and are paid a small retainer receiving full pay when working. If you're interested phone Nottingham - 824824 ext 215 when more details can be given to you.

## Bandstand

Since our band started last June we have had a busy time fundraising. We had a "fun day" gala last Sept, on Colwick Woods, due to the bad weather it was not a very big success fundraising wise but plenty of the public turned up. In October we did a display on the Torvill and Dean site for the Neo-Natal Unit at the City Hospital which raised £35, and we also did a display collection day in the Market Square for the Mexican Earthquake appeal, which raised £68. The Lord Mayor and

ALSO, CONFECTIONARY, CARDS, CIGARETTES AT CUT  
PRICE, AND COLD DRINKS

Lady Mayoress came onto the square and wished the band good luck and they made a generous donation.

We have however had a very trying time with recent vandalism to the band bus. April 2nd was the last straw, we had the windscreen and side windows smashed with bricks, this did dishearten our band members as we were due to do a display at Barnsley April 5th for Cash Aid. Thanks to our driver and the chairman running round the local firms our bus was repaired and the band was able to go to Barnsley.

Our 1st Annual gala will be held on Colwick Woods June 29th this year, we hope that you the people of Sneinton will find time to give us your support. There will be approximately 15 bands present so it should be a good day, and it is hoped that the landlord of the Greenwood Tree Public House will be able to have an extension to his opening hours for that day.

Finally may we extend our good wishes to Dako, Bendigo and Taverners Dominoes Bands for the coming season, we hope that you have a very successful time.

**KICK - OFF !**

The Oliver Hind Boys' Club has provided a service to young people in Sneinton dating back to 1907 when the doors of it's first premises on Dakeyne Street were opened. In 1970 the Club moved to it's present headquarters on Edale Road and the great "Dako tradition" has continued since then. During this long period the Club has always been very much "activity-based" and strongly featured among the many activities, in addition to Band and Gymnastics work, has been Football. Over the years many thousands of young men must have donned the Dako kit and represented the Club on the football field and no doubt reading this article now will bring back happy memories for a great many new "Old Boys" who still live in the area.

In addition to the "Club teams" which have played in various Boys Brigade and Youth Leagues over the years, two teams under the heading of "Dakeyne Street Old Boys" continued to operate in Men's Amateur Leagues until two years ago. Now, plans are under way for a "great revival" at the start of the 1986/87 season. Over the past few years the Club Teams have played in the local Boys' Brigade Leagues, but for next season, all that will change with the setting up of the new "DAKO FOOTBALL CLUB". The Club expect to run up to five teams beginning with the Under 12 and Under 14 age group who will play in the Young Elizabethan League. Next comes the Under 16 and Under 18 teams who will play in the Nottingham Imperial Youth League and then a brand-

new "Senior Team" for the "over 18's" which will play in an Adult League.

Training sessions will be held at the Oliver Hind Boys' Club each week and the whole administration and organisation will be based there also. We are very much hoping that local businesses will support the project by way of Sponsorship, and we are currently on the lookout for suitably qualified "Team Managers". We would like to hear from anyone who is interested and experienced in Amateur Football, and who would like to take on this work. Then, of course, it comes to the players. The Club has a very large membership, so we do not envisage any shortage of players in any of the teams. However, we are always open for more, so if anyone in the age groups mentioned would like to "stake their claim" to a place in any of the teams, further details can be obtained from me at the Oliver Hind Boys' Club, Edale Road, Sneinton Dale (tel: 580391).

# Rush Hour refuge<sup>6</sup>

Thanks to Mr Dale of Dale Street, crossing the road on Sneinton Dale and Dale Street will hopefully be much easier by the end of this year.

The petition presented to the County Council has resulted in approval being sought for the provision of 5 new central refuges - one on the city side of Victoria Avenue, the second between the garage and Mill View Close, the third between Sneinton Hollows and Belvoir Hill, the fourth on the city side of Manor Street (near the "Fox") and the fifth just before Windmill Lane, by the school crossing patrol.

Waiting restrictions around the refuges have to be approved and objections from the general public considered but if all goes well, work could start in late autumn.

## OAKDALE D.I.Y. CENTRE Ltd

MAIN AGENTS FOR FERGUSONS

Its a long drawn out process, but worth the wait if all goes to plan. Unfortunately, additional refuges for Sneinton Road, near Notintone Street were not considered, because of the objections which would have been made by local shopkeepers about the waiting restrictions - perhaps this is a campaign for the future.

## Let's Work for Sneinton

I have lived in the Sneinton area for the past 19 years during which many changes have occurred. However, most of them for the community in Sneinton like the other inner areas of the city have been for the worse. Unemployment, housing, racism and sexism have become a fact for a large part of the Sneinton community. Local organisations such as TRACS, Sneinton Environmental Society and others have been attempting to solve some of the problems in the area. However, I feel that no collective action by organisations from the black and white communities has been undertaken. The symptom of economic ills and Government Policies affect all the people of the area and joint action from all the communities is a must if life in Sneinton is to be improved.

I feel it is imperative that we all put pressure on Government to change the policies which affect the community adversely, and in this fight we should be jointly lobbying our elected local and central Government representatives. It is very important to pressurise the latter to make them work for the local community rather than their own personal pursuits.

A meaningful way to achieve this could be an open Sneinton forum for exchange of ideas and information from all sections of the community, and where collective actions could be pursued. One area that could be addressed is youth unemployment. The figures released in May 1986 by the City Council show that in January 1986 unemployment in the Trent ward area amongst 19\* year olds was 45.8%, and 20-24 year olds was 42.4%.

If anyone is interested in working for Sneinton please contact me c/o Sneinton Voice, 26 Lyndhurst Road.

## IONA School

Iona School is a Rudolf Steiner School. We are delighted now to have acquired a permanent home at the former St Bernadette's School, and have purchased three of the five blocks of buildings, and all the open land extending up the hillside, which we hope to turn into a nature reserve.

Iona will grow eventually to a school of over 300 pupils aged between three and 17 years. At present we are still very small, with two dozen children up to nine years old, and for the time being we are letting out the hall and gymnasium for sporting and cultural activities.

The school is owned by Iona School Association, a limited company which is also a registered charity. Responsibility for over all management rests with a Council of Management, but the provision of education is entirely under the control of the College of Teachers. There is no head teacher.

In a Steiner school and children remain in the kindergarten until they are seven, during which time no attempt is made to educate in the formal sense. Imaginative free play is the work of young children. However, many structured activities such as singing, ring games, painting, wax modelling, cooking and gardening, are also incorporated into the kindergarten day.

Between the ages of six and 14 years the pupils are guided by their class teacher who usually remains with them throughout this time. He or she, is responsible for the main lesson, which occupies the first half of each morning. These less-

8

ons are taken in blocks of three or four weeks during which one subject is dealt with in depth.

The subjects will include the basic skills of writing, reading and number work, and also such subjects as farming, house building, mythology, history, botany, physics and astronomy. Shorter lessons during the rest of the day include music, foreign languages, religion, painting, handwork, games and eurythmy

(a new art of movement). At 14 yrs the children enter the Upper School, but this is several years away.

Although Iona School of necessity charges fees, it does not aim to be in any way exclusive. Our ultimate goal is that no child should be prevented from attending for financial reasons. To this end we keep our fees as low as possible, provide discounts for other children in a single family in school at the same time, and have established a bursary fund to assist with fees in suitable cases.

We hold regular festivals and events which all are welcome to attend. Anyone who would like to ask about our school, or to receive our newsletters, should telephone Nottm 587392 or write to Iona School at 310 Sneinton Dale.

Graham Machin  
Chairman of School Council

## NUWS

Nature lovers will be pleased to know that Nottingham Urban Wildlife Scheme (NUWS) is now in operation and is based at the former St Bernadettes School. They intend to work with local communities and schools in surveying sites and enhancing their wildlife interest. Their hope is "to encourage both public and private sector involvement in the natural resources of the urban environment and local green spaces through an increased awareness of

9

year, or early in 1987, the series will be starring Roy Kinnear, Roger Sloman, Pam Ferris (from "Connie") and Liz Fraser.

St. Bernadettes is being used as it will provide an authentic setting and being local will keep the costs down. Watch out for the series!

## BANCA

At last Bakersfield now has its own community centre. The Community Association (BANCA) have now been given the keys and are in the process of making the final preparations for the official opening which will be towards the end of June.

If you are a senior citizen you can look forward to old-time dancing on a Saturday night. There will also be a mothers and toddlers group, sequence dancing, youth club and anything else that local people want. If you are interested please get in contact with Jenny 873559 or Gail 503941.

## CHURCH

St Bernadettes Church is now housed in what used to be Block E of the school. It is now being used as the parish centre for the local Roman Catholic community. As well as providing all the usual church services, the centre is used most nights of the week for activities such as a youth club and keep fit classes. Future plans include the use of the centre during the daytime by, for example, mother and toddler groups, and by the end of the year there should be a new chapel in part of the block. For more information, ring Alf Jackson on 878272.

## TRACS NEIGHBOURHOOD CENTRE

On the outside just a terraced house  
...but come inside...

Many people still don't know what actually goes on at 26 Lyndhurst Rd and of those who do, many are often unaware of all the facilities to be found there.

So the groups that operate at 'No 26' have got together under the heading of the TRACS Neighbourhood Centre & over the coming months plan to let you know more about the building, what we do, and how we can help you and the area.

Two new workers, a new department about to begin, informal meeting space, skills and resources for the community, so come inside...

Firstly TRACS should be well known by now, the amount of work they've done in Sneinton could fill the whole of this Voice, from housing to traffic, from noisy neighbours to getting a phone box at the end of your road - in fact TRACS has been so successful that some people think its part of the Council or some other official body - it isn't - its totally run and organised by ordinary people who give up a little (and often a lot) of spare time, to get the things that need doing - done.

Its TRACS that rent the building that has become the Neighbourhood resource centre and indeed got the Sneinton Voice off the ground in the first place. They are responsible for starting many other groups and organisations, as well as heading many successful campaigns. Like the Voice, a lot of the groups have become totally separate from Tracs, & this means members often leave Tracs to pursue the new activity. So as always they need new people to take their place.

At the moment they meet every other Tuesday at this centre and any per-

son, & we mean anyone, can come along if only to sit and listen, while taking no part at all if they wish. But we can tell you that tea and coffee is on hand, and Tuesday night isn't that good on TV so instead of changing channels come to Tracs - you could change Sneinton for the better.

## RESOURCE

*The Sneinton Resource Centre is set up to provide cheap printing for voluntary groups, individuals, and the unemployed. Many of the posters and newsletters you see about the area advertising anything from jumble sales to public meetings have probably been produced at the Resource Centre. Our equipment, situated on the first floor, includes zoom photocopier, coloured ink duplicator, headliner, electric typewriter and all sorts of layout materials, in fact all you need to make your own publicity.*

*The new worker is David Orli, who can show you how to use the equipment (its quite easy) and will help you to produce good quality artwork so not only do you help yourself and your interest group, but you'll acquire new skills aswell.*

*Within the next few weeks we hope to open the new photography unit, including darkroom, black & white printing & processing and even camera hire. So if you've ever wanted to develop your own film, print photos for new-sheets & posters, or just learn how its done, your chance is on the way.*

*By the way the Sneinton Voice team not only hold their editorials in this building, but also do all their assembly typing and full layout here using the Resource Centre gear! So come and visit us and see what we can do for you.*

## ADVICE

What do you do when your giro is late? Or when you applied for housing benefit 3 months ago, and you still have not received any money? Why not come to TRACS Advice Centre? Since it was first set up in Feb '81, it has helped almost 300 people to sort out major problems, and given informal advice to countless others, on a wide variety

of topics, including consumer complaints and immigration. The bulk of the work is to do with housing problems and DHSS queries, not surprising in a community like Sneinton, which has higher than average unemployment and low grade housing.

Since March this year, I've been employed at TRACS Advice Centre as the co-ordinator, a post financed under the Community Programme. My job is to publicise the Centre, recruit and train volunteers and generally provide an effective service. One priority is making people aware of their rights.

## CLAIM IT

Did you know that over £6,000,000 of benefit lies unclaimed each year? Despite all the talk of so called 'social security scroungers' many people on a low income are still not claiming everything that they are entitled to. Perhaps you've seen the leaflet we recently produced in Sneinton, to inform people about forthcoming changes in the DHSS rules regarding single payments. We did this as part of a City-wide publicity campaign, and since then applications to Station St DHSS have increased by a third. This proves the importance of informing people of their entitlement.

This will become more important in the future. The Social Security Bill has now become law, and it will probably be applied from 1988. Millions of people throughout Britain will lose money, yet there has been little opposition, mainly because the public has not been informed of these proposals.

The Advice Centre always needs volunteers. The work can be varied and

interesting. If you want to give advice, or even just want to learn more about your own rights then training will be provided. You're always welcome to come and chat about it, with no obligation.

If you need advice we are based at TRACS Neighbourhood Centre, 26 Lyndhurst Rd (between Sneinton Boulevard and Colwick Rd). Advice sessions are on Monday from 9.00-12.00, Thursdays from 7-8pm &, specialising in Asian languages, from 2-4pm on Fridays. Appointments can also be made for other times. The service is entirely confidential. Phone 584862 if you need more information.

Remember: Its your Benefit  
CLAIM IT - DON'T LOSE IT

Judith Lewis (co-ordinator)

TRACS NEIGHBOURHOOD CENTRE is holding a combined stall featuring the three groups mentioned at the Sneinton Festival, so drop by and see us. If you want to know anything else about us, then phone 584862.

# Summer t' do

Well, half term has been and gone and hopefully the summer holidays will soon be here but what are you going to do, or what's your Mum and Dad going to do with you? Don't worry. There's quite a few things going on .... read on to find out more.

## 21st July - 1st August

There are all sorts of play activities going on for Nursery age kids at the Oliver Hind Playgroup

3-7 year olds are welcome at Greenwood Infants school in the nursery block from 9.00 am to 12.00.

11-16 year olds - try Manvers Pierpoint School, 9.30 - 12.30. All kinds of activities including jewellery making, cookery, snooker, brake dancing and sports.

Trips to Roller World, Go-Kart racing, horse riding, sailing and Alton Towers - and on 31st July - Barbecue and open-air disco.

**SPECIAL OUTING!!** Overnight trip to Boulogne, leaving Thursday evening 24th July. £15. All welcome. Contact Shirley Jones on 582011 straight away, to book a seat or to find out more.

## 4th - 29th August

5 - 14 year olds, to go to Sneinton Youth and Community Centre from 10.00 am to 2.00 pm. Arts and crafts, sports, videos, outings, BMX demonstration and perhaps an inflatable castle and a police dog display. Ring 503803 to find out more.

Watch out for the Playbus. It will be visiting Sneinton during August. For kids from 5 -12 years, there'll be lots of crafts, face painting and games like the parachute game. Look out for posters for more details.

**SNEINTON FESTIVAL**

## YOUR GUIDE

11 am Crowning of Festival Queen at Sneinton Hermitage Community Centre by the Lord Mayor Cllr, Frank Higgins.

11.15 am Procession of Floats, Bands and Fancy Dress through the streets of Sneinton, taking a new route up Sneinton Boulevard to the Dale.

12 - 4.30 pm Events at the Field. Marching Bands, Judging of Bonny Baby, Fancy Dress, Glamorous Granny, Best Float, 5 aside football, Dako Gymnastic Display Team, Inflatables, Childrens Games, Refreshments, Ethnic Dancing, Karate Dojo, Aerobics, Asian Children Fashion Show, Karate, Disco Dancing, BMX display, Tug of War.

This year Robin Hood and his Outlaws will present their action packed Arena Event with the Outlaws pitting their wits against the Sheriff's men. There will also be a competition for children to search for the Outlaws. Sponsored by County Council.

All this together with David Lloyd from Radio Trent with his non-stop delivery making it hopefully another Sneinton Festival to remember.

Sun Roof & Tow Bars supplied to fit DIY or Fitted by our Qualified staff.

# School Extra

School is not like it used to be - least of all in the P.E. department at Manvers Pierrepont School. It is not unusual to see youngsters, complete with crash helmets, launching themselves off the top of the 'new building'. No, they are not parachute training but taking part in an abseiling course. If you would like to see for yourself some of the many talents our young folk have, then come along to Sports Day on 15th July.

Our Community Classes will begin again in September. We plan to have adult classes during the day as well as in the evening. Please let us know what classes you would like and we will do our best to put them on. Classes planned so far range from Art to Urdu, Flower Arranging to Motor Maintenance.

The Past Pupils' Association are to make a presentation to Mr Miller who retires at the end of term. Further details from Mr Wright at the school (582011). On June 27th, Skittles evening at Smithies pub, Carlton Rd, 7.30pm.

Have you heard about the June sales?

June sales? I thought they were in January

No, the windmill sales, they're going up between June 11th and 20th

Oh, great! I must go and have a look. There hasn't been much publicity for it, has there?

No, I suppose not but I've heard that it's going to be on the telly, maybe even on Blue Peter

Blue Peter? Whatever happened to John Noakes?
