## THE '90S SCENE CAPTURED

'Linden' was the roving reporter for *APN* and the *Gay Times* during the early to mid 1990s, his columns for those magazines were entitled: Out & About with Linden.

Stuart Linden Rhodes was also a lecturer at a local further education college, the pseudonym 'Linden' adopted due to concerns generated by draconian Clause 28 legislation sanctioned by Tory governments of the era.

Stuart established the Linden Archives online as a way to preserve his work and look back fondly on the brash, thriving gay scene of the 1990s.

Stuart will introduce the Linden Archives at Nottingham Central Library on February 6th 6.30-9pm
