

WHAT ARE SOLDIERS FOR?

IF you've been fooled by the recruiting posters
OR IF you've only seen them at military displays
THEN MAYBE you think they're there for entertainment?

BUT soldiers, Sailors and Airmen are there for one
good reason only--and it's not to protect you!
Throughout history the Military have been used solely--

TO PROTECT THE BOSSES!

THE STATE, through its Armed Forces, Police and
Church, is used by the power-maniacs who run it, to
protect themselves and their profits against both
rival power-maniacs and against the workers. But
what then do we as workers gain by fighting one
another? Our enemies are the bosses, yet we fight
their wars--

TO KEEP THEM IN MONEY AND MISTRESSES!

THEY used troops to break up a peaceful strike in
Swaziland, to protect their fat pickings in South
America and to prevent the working masses from
kicking them out of Hungary. Murder, destruction
and torture--these are the duties of the good soldier
--no wonder they don't dare tell that to young recruits!

JOIN THE FORCES AND LEARN A TRADE?
JOIN THE FORCES AND FIND ADVENTURE?
JOIN THE FORCES AND SEE THE WORLD?

YES!

THE TRADE THEY TEACH IS BUTCHERY!
THE ADVENTURE IS TO STAB A MAN IN THE BACK!
THE ONLY WORLD YOU'LL SEE IS A DEAD ONE!

IT'S EASY TO BE BRAVE WITH A GUN IN YOUR HAND

BUT guns and bombs do not buy freedom for the working man. We call upon Soldiers, Sailors and Airmen to say no to violence and no longer fight for the boss class in their crooked wars.

WE believe that freedom can only be won by Non-Violent resistance to the tyranny of governments.

TO MAKE OUR POINT we shall march with the West Committee of 100 from Old Market on SATURDAY, SEPTEMBER 7th, at 10 a.m. to the RAF RECRUITING CENTRE opposite the Cenotaph, and stage a sit-in protest against the lies of Recruiting. We shall replace their literature, posters and flag with our own. If entry is barred, we may sit outside or move to the nearby Army recruiting office. If they close early, as in the past, we shall have won a Non-Violent victory, and will return in the future, un-announced.

WE PAY FOR THE ARMED FORCES.

WE HAVE A RIGHT TO PROTEST

DURING ARMY WEEK, SEPTEMBER 9 to SEPTEMBER 14, there will be displays and exhibitions on The Downs and elsewhere. These are OUR parks, but did they ask us whether we wanted their military propaganda? We shall be present to voice our opposition and on Saturday, SEPTEMBER 14, we shall "join in" their DOWNS DISPLAY in protest.

THESE WILL BE NON-VIOLENT DISOBEDIENCE DEMONSTRATIONS

NOTE for the Police : We are Anarchists, we have no leaders, we are all equally responsible for this leaflet and for organising the demonstrations.
